**HELPING YOU GET YOUR  
BUSINESS STARTED!**

Fully funded eight week business start up  
and self-employment course

Steps to Business

# SUPPORTING BUSINESS START UPS AS WELL AS PEOPLE WITHIN THE FIRST 3 YEARS OF TRADING

Our jargon-free approach to our eight week course gives you everything you need to take that leap of faith and unleash your inner entrepreneur.

Our fully funded, short courses provide uncomplicated, relevant information and guidance for anyone who is in the process of setting up a business or simply just exploring the idea.

## Professional Development

We will deliver an exciting range of bespoke courses tailored to each participant's individual needs.

The training have been designed to meet the practical realities of the modern business world.

## Business Support

Whether in the planning stages, aiming to improve established processes and products, drive new business growth or deliver solutions to pressing commercial issues, we will collaborate with you to help achieve these objectives.

## Business Start-ups

Steps to Business offer an array of pre and post start-up advice and support to aspiring individuals with the enterprising spirit, the drive to start a business and the capability to make it a success.

## The Process

You will attend an initial assessment with an experienced Business Adviser to discuss your business idea.

As well as access to the Business Adviser, you will be able to use the full onsite office facilities including hot desks, Wi-Fi, laptops and printers.

You will be required to attend up to 6 workshops over an 8 week period.

## The Workshops

A rolling series of workshops will last for between one and two hours.

You will also be given assistance by your Business Adviser to complete a business plan setting out objectives, key quantifiable targets and financial projections which relate to your venture.
